**Re: Duke Energy Progress, LLC Application for Adjustments in
Electric Rate Schedules and Tariffs and Request for an
Accounting Order
Docket No. 2018-318-E**

Dear Ms. Boyd:

Following up on my request for an extension this morning, I am now writing to amend that request. This morning I wrote on behalf of Duke Energy Progress (the "Company") to request an extension to provide to customers the Notice of Filing and Hearing and Prefiled Testimony Deadlines. The current deadline is December 6, 2018 and we requested that deadline be extended to January 6, 2019 to accommodate the Company's billing cycles. After I made the extension request it was brought to my attention that because of the intervening holidays it would be prudent to modify the extension request to allow the Company until January 11, 2019 to complete the customers notification process. Accordingly, we request that the notification deadline be extended until January 11, 2019.

The return date is currently set for December 27, 2018. We agree with ORS that it should be extended at the same time that we are allowed additional time to complete the notification process.

Thank you for your consideration of this request. By copy of this letter I am notifying the Office of Regulatory Staff of the modification of our extension request. If you have any questions, please let me know.

Yours truly,

Frank R. Ellerbe, III
